North Carolina Society C.A.R.
2015-2016
Yearbook, State Program, and Handbook

The goal for this year's State President's Project, *Foundations of Freedom* is for our N.C.S.C.A.R. members to build an awareness and an understanding of our founding documents, the Declaration of Independence and the U.S. Constitution. In 1861, President Abraham Lincoln described the Declaration of Independence as an "apple of gold" and the Constitution as the "frame of silver" around it. The Constitution acts as a guard for the principles established in the Declaration of Independence. Many young people today might find it difficult to recall anything about either of these documents. For this upcoming year, *Foundations of Freedom* will educate N.C.S.C.A.R. members about these two documents that our country was founded on. "Pocket Constitutions" will be distributed to every C.A.R. member in our State to help them learn more about our *Foundations of Freedom*.

Since the focus of the project is education, funds raised beyond the cost of shipping and handling will be donated to the Robert B. Fleming, Jr. Memorial Scholarship Fund, which was established many years ago in memory of Robert. This \$1,000 scholarship is awarded annually to a C.A.R. member whose lifestyle reflects the character traits exemplified by Robert during his short life (1970-1983). A member may apply for the scholarship at the beginning of his/her senior year in high school and may continue to apply through age 21. The desire is to add to this fund so that this award can be given for many years to come to assist a student with college expenses.

We would appreciate your support of the North Carolina Society Children of the American Revolution as we focus on our *Foundations of Freedom*.

Scheduled to open in 2017, the museum is located just steps from Independence Hall and the Liberty Bell.

2014-2015 STATE PRESIDENT'S REPORT
CHILDREN OF THE AMERICAN REVOLUTION
STATE PRESIDENT'S REPORT

The North Carolina Society Children of the American Revolution has had an incredibly fun, and successful year "Rebuilding the Fire". This year we have worked to unite two cultures not only from our state but also from my heritage, and offer children an education that will help them to carry on the flame of their ancestry, the way we at C.A.R. do. To accomplish this we have diligently worked to raise funds and school supplies for the New Kituwah Academy, in Cherokee, North Carolina.

Recent studies have shown that Cherokee is now considered a dead language. In an attempt to continue the history, folklore, culture, and language, the Cherokee Indians have created a plan for revitalization. A key component in rebuilding the fire of the Cherokee nation is the New Kituwah Academy. Beginning in 2004 as a mere one room school with only 7 students the New Kituwah Academy sparked a flame of hope for the Cherokee people and their heritage. New Kituwah now serves 90 children and only admits those who will carry on their learning at home with their families. Although privately funded, the academy makes sure that every class, including the infant and toddler care rooms have a Cherokee speaker to aid in teaching. Attending the New Kituwah Academy is an invaluable opportunity for 90 children to carry on the culture of their people and our state. It provides children with self-confidence, pride in their heritage, education, and a support system for the rest of their lives

This State President was very busy this year travelling across the state, and east coast to support "Rebuilding the Fire" and "O! Say Can You See". She was excited to host two State Board meetings, in Cherokee and in High Point, North Carolina. She was very proud to see the hard work the members of her state put in to support the State Project. Through everyone's hard work N.C.S.C.A.R. raised a grand total of \$6,041.00 and several hundred dollars' worth of school supplies. This will greatly aid the academy as they add a middle school this year. It has been a pleasure serving as North Carolina's State President this year as our State Society "Rebuilt the Fire".

2014-2015 SENIOR STATE PRESIDENT'S REPORT

CHILDREN OF THE AMERICAN REVOLUTION STATE PRESIDENT'S REPORT

The North Carolina Society Children of the American Revolution has had an eventful and successful year as we have strived to “Rebuild the Fire” of the State Society as well as promoting the New Kituwah Academy in Cherokee. It was a joy to work with State President, Alexandria Swaim, to support her State Project. The two goals of this administration are education and communication. By teaching the members and senior leaders the responsibilities of their positions, the future of this organization will be in good hands. Communication is the key to keeping everyone informed of upcoming events and sharing the activities of the local societies. The *Tarheel Tattler* newsletter has been an excellent tool to accomplish this.

Members enjoyed attending the Southeastern Regional Meeting in Peachtree City, Georgia in July where they participated in skits presented by the National officers to highlight the focus and contests for the various committees. Part of the event was a tour of “Noah’s Ark Animal Sanctuary” where they house over 1000 animals of all species that have been abused, neglected or abandoned and provide rehabilitation services.

Many miles were travelled attending DAR District Meetings and Fall Forums in July and August to sell merchandise to benefit the State Project. DAR chapters that sponsor C.A.R. societies were also visited. This Sr. State President would like to thank all the Senior leaders across the State and the many DAR chapters that made donations and provided school supplies in support of the C.A.R. State project.

The Summer Board meeting was held in August in Cherokee where members learned more about the State Project. The Director of the New Kituwah Academy shared its history and the process it uses to teach the children 7 months to 4th grade the folklore, culture and language of the Cherokee. Touring the Museum of the Cherokee Indian was a highlight of the event where we learned more about the history of the Cherokee nation.

Winter Board was held at the High Point Museum in November. State chairmen gave their reports and this officer conducted a training session on the State and National websites. Attendees learned how to navigate both sites and what information was available there.

SAR wreath laying ceremonies were attended in Washington, NC, where they honored the patriots of the men who started the first SAR chapter in North Carolina; in Huntersville to celebrate the 234th Anniversary of the Battle of Cowan’s Ford; and in Greensboro to celebrate the Anniversary of the Battle of Guilford Courthouse.

The annual State Conference was held in Raleigh March 20-22, 2015, including a Debutante presentation with 5 lovely young ladies being presented. The SAR Color Guard participated in the event. This conference had the largest attendance of any in the last several years.

Six members and 11 seniors attended National Convention in Arlington, Virginia, where we brought home the Gold Award for the State President and the Joel Lane Society.

This Senior State President looks forward to another exciting year as we train good citizens and develop leaders.

Carolyn Coordes, Senior State President

Section 2 Funds

The Senior State Treasurer maintains the following funds in the name of the

N.C.S.C.A.R. Handbook

State Society:

- 2.1 General Fund (checking account) – annual dues, fees and other income constitute the General Fund to be used for the legitimate expenses of the State Society. The Senior State Treasurer prepares an annual budget for the State Society to be presented at Summer Board for approval. All expenditures not budgeted or designated must be approved by the Senior State Board or the Senior State President.
- 2.2 General Fund (CD)—A portion of General Fund monies were put into a Certificate of Deposit to earn more interest.
- 2.3 Fleming Scholarship Fund (CD)—specifically for the payment of the Fleming Scholarship annually. The Fleming Scholarship award is \$1,000 to be awarded to the winner annually until the Fund is depleted or the principle is increased and interest earned on the Fund provides an award of \$1,000 or more. Applicants must apply for the Scholarship. (Revised August 2013)
- 2.4 State President’s Fund (CD)— designated to assist the State President in expenses during the year. A \$500 award is paid to the **newly installed** State President after returning from National Convention in April to be paid annually from the principle of the Fund until it is depleted. (Revised August 2013)

Section 3 State President's Project

- 3.1 The newly elected State President shall present his/her proposed project to the Senior State Board including estimated cost.
- 3.2 No State Society funds may be used to support expenses of or donations to the State President’s Project regardless of whether the minimum is met or not.

HOW TO MAKE, SECOND, DISCUSS, AND VOTE ON A MOTION

1. **Only Members can make a Motion.** If the President wants to make a motion, she or he has to have the Vice President take the Chair and then takes a seat with the other members. After a second, discussion, any amendments [always voted on before the main motion is voted on] and a vote, the President then resumes the Chair. "I move that _____." {It is not acceptable to just say, "I so move."}
2. The chair repeats the motion, "It has been moved that _____, is there a second? **Only a Member** can second (or agree to discuss) a motion. If no one seconds the motion, the motion dies for lack of a second.
3. If the motion is seconded, the President repeats, "It has been moved and seconded that _____. Is there any discussion?" The President recognizes members who rise and speak for or against the motion. No member can speak more than twice to a motion before all members who would like to speak have had a chance to speak.
4. After a reasonable amount of discussion, the President can ask, "Are you ready for the question?" Or a member may say, "I call the question." to call for a vote. A majority (more than half) of the members must agree that they are ready to take a vote. Before taking the vote, the President repeats the motion (including any approved amendments) .
5. The vote can be a voice vote, a standing vote, or a ballot vote. If any member asks for it, a ballot vote must be taken. If it is hard to tell by a voice vote, then a standing vote or ballot vote should be taken. "All those in favor, say 'Aye.'" "All those opposed say 'Nay.'"
6. **Decision:** The President then announces the results of the vote, indicating officially if the motion has passed or failed.
7. **Reconsider:** A motion can be reconsidered only as long as no irreversible action has already been taken after the motion passed and 2/3 of all voting members agree to re-debate the motion. Only someone who voted on the winning side can ask to re-discuss or debate and then vote on the same motion.
8. **An Amendment:** Any member can ask to amend, add on to or change some part of a motion. The President must first ask the person who made the motion if they agree to having their motion amended. If they do, then the Amendment must be seconded, discussed, and passed before it can then be added to the motion on the "table." If the Amendment passes, then the "main" motion is voted on as amended

Tabling a motion: If a member feels there is not enough information or time to properly decide on a motion, they may ask the Chair to Table the Motion until a specified later time. The Chair asks for a second, discussion, and a vote on tabling the motion.

GUIDE FOR INCOMING STATE OFFICERS, CHAIRMEN AND SENIORS

As a newly appointed officer or chairman you should read and understand the North Carolina Society C.A.R. Yearbook, Handbook and Bylaws. The National Handbook, and the National bylaws will also be helpful to you during the course of your term.

Your State President needs your dependability throughout the year so all of his or her plans can be accomplished. Plan to attend the Summer Workshop, Winter Board Meeting, and Annual State Conference. If you are unable to attend tell to your State President and your Senior that you will not be able to attend and forward any contest and report information that you have to your State President and Senior. Communication with your State President and Senior State Officer or Chairman is the key to a successful term.

One of your responsibilities is to create a state contest based on the National Officer's or Chairman's contest. Consult your Senior for guidance to develop your state contest. He or she will give you suggestions and help you stay within the scope of the National Officer's or Chairman's contest. The State Contest should closely follow the National Program. Remember you and your Senior must provide any monetary award responsibility.

When giving your state reports you will need five copies of each to be given to the State President, the Senior State President, the Recording Secretary, your Senior State Officer or Chairman, and yourself. These copies should be typed with the event (Summer Board, etc) and the date at the **top** and your name and title and your senior's name and title at the **bottom**. Then you and your senior should sign each copy. You will need to prepare your contest and/or report even if you are unable to attend a meeting and forward three of them to your State President to give to the Senior State President and Recording Secretary and forward a copy to your Senior State Officer or Chairman.

Don't forget that your service to the C.A.R. can count toward community service in school and youth groups. Keep track of your hours and the impact of your programs to get full credit.

Timeline:

- Your term of office begins in April, immediately following the installation of the State President at the National Convention.
- Early Summer (June/July) - (when the National packet is released) create your contest.
- Summer Board (August) - be prepared to present your contest and report on your C.A.R. activities since State Conference.

N.C.S.C.A.R. Handbook

- Winter Board (November) - be prepared to present a brief report (no more than 2 minutes) on your activities relating to C.A.R. since Summer Board as well as encouraging local societies to enter your contest.
- Before State Conference (early March) - judge the contest entries with your senior.
- Annual State Conference (March) - be prepared to present a brief report (no more than 2 minutes) about your activities related to C.A.R. for the entire year.
- Your term of office ends in April with the installation of the new State President (at the National Convention) which begins the new term.

Note: Your reports should be limited to events and activities that are related to C.A.R. only and be written in 3rd person.

Remember to ask questions. If you do not understand your responsibilities ask your State President, Senior State President, and/or Senior State Officer or Chairman for help.

Above all, have **FUN!** This is *your* organization and you should be proud that you are helping promote the Objectives of the Children of the American Revolution.

ADDITIONAL INFORMATION FOR INCOMING SENIOR STATE OFFICERS AND CHAIRMEN

Your term of office is two years concurrent with the Senior State President's term. Your responsibility is to guide your member in accomplishing his or her goals and responsibilities. Please review the responsibilities of your member. Communicate with your member on a regular basis and encourage them to ask you questions about their responsibilities. This is the key to having a successful and productive year. Remember not to do their job for them. If you have questions about your responsibilities, ask your Senior State President.

**THE PLEDGE OF ALLEGIANCE TO THE FLAG OF
THE
UNITED STATES OF AMERICA**

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands – one nation under God, indivisible, with liberty and justice for all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a Perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

William Tyler Page

C.A.R. CREED

I believe in the Children of the American Revolution as an organization for the training of young people in true patriotism and love of country, in order that they shall be better fitted for American citizenship.

As a descendent of the Founders of my Country, I believe that my birthright brings a responsibility to carry on their work, and that as the boys and girls of 1776 took an active part in the War for Independence, so the boys and girls of today have a definite work to do for their Country.

As a member of the Children of the American Revolution, I believe it is my duty to use my influence to create a deeper love of country, a loyal respect for its Constitution, and a reverence for its Flag among the young people with whom I come in contact.
