State President's Message

Hello fellow C.A.R. members! I would like to acknowledge how wonderful it was to see those of you who attended Winter Board in Greensboro. It was an enjoyable time for all attendees and I truly loved hearing from the officers, the chairmen, and the society presidents. It sounds like everyone is having great success this year thus far. For anyone who was able to stay for the war veterans and re-enactors at the Guilford Courthouse National Military Park, it truly was a unique experience.

I even had the chance to meet and listen to a few of the veterans tell about their time in service during the Korean and Vietnam Wars.

Shortly following Winter Board, I had the pleasure of attending the Nathaniel Jones grave marking ceremony hosted by the NSDAR Yates Mill Chapter on November 17th with other C.A.R. members in Cary, NC. It was great to see C.A.R., DAR, and SAR members all together to honor the Revolutionary War patriot and his relatives.

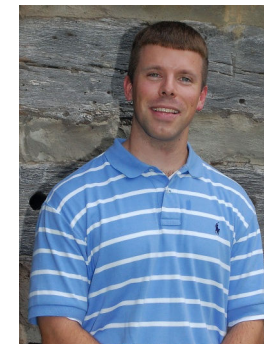

As we begin the month of February, I would like to turn everyone's attention toward State Conference. I hope each of you plan to attend this year's celebration. State Conference will be held at the Chapel Hill Sheraton March 22-24th and we will be celebrating 75 years of N.C.S.C.A.R.--what a momentous event! As a UNC student, I am very excited to have State Conference in Chapel Hill this year and look forward to welcoming everyone to the home of the Tar Heels.

As you prepare to attend the much-awaited conference please remember to bring your family's silent auction donation. All funds raised from the silent auction will be donated directly toward the State President's Project which will enable the Snow Camp Outdoor Theatre to replace some of their costumes and potentially aid in the creation of an onsite museum. We will also be doing another pin presentation at State Conference, so if you have not purchased a *Tell the Story* pin be on the lookout for your chance to purchase one with your State Conference registration. Continue to work diligently on your contest entries and I will see everyone at State Conference in Chapel Hill, North Carolina!

Senior State President's Message

232 years ago, our forefathers began to use momentum from a decisive victory at Cowpens that would eventually led to the separation from Britain. In that path was the "crippling" victory for the British just months before the surrender at Yorktown. This time of year, the S.A.R. honors the memories of our ancestors at Cowpens, Cowan's Ford, and Guilford Courthouse.

Our members got a glimpse not only of all sides of the Battle of Guilford Courthouse at Winter Board, they were also treated to the evolution of the American soldier on Veterans' Day. After our board meeting finished, we got see the progression of battle on a gorgeous day near the Nathanael Greene statute with soldiers ranging from the Revolutionary War to Vietnam. We also honored the memory of Bugler Gillies in a special wreath laying ceremony.

Each soldier had their own individual story with some soldiers having longer stories than others! Our walk across Old Battleground Road to the history of the American soldier showed our members a quick history of what our country evolved as a result of our forefathers' efforts. Thanks to the Bugler Gillies Society and Guilford Courthouse National Military Park for their help in making Winter Board a great event.

Our Winter and Spring is about to heat up in N.C.S.C.A.R. as we march forward to State Conference and the 75th Anniversary of N.C.S.C.A.R. in Chapel Hill March 22-24. Begin preparing your contests as the deadline will arrive before you know it!

I look forward to seeing N.C.S.C.A.R. at the Anniversary of the Battle at Guilford Courthouse and at State Conference!

State Chaplain Lee Utter gave the benediction.

Winter Board adjourned at 1:50 PM

After the meeting, many of the members stayed for a Veterans

Day program held outside at the military park across the street near the large statue of General Nathaniel Greene. The program on this sunny day included a couple dozen people dressed in period clothing of soldiers from the Revolutionary Period up through today. They had many uniforms and weapons displayed and they shared their extensive knowledge about the eras they represented. There were Vietnam Veterans there and the Korean War veteran had his purple heart which he earned when he was hit by a piece of shrapnel, as well as the uniform he was wearing when he was hit, a thick scrapbook from his service days, and enough interesting stories to fill the afternoon. It was an enlightening and enjoyable experience.

2012-2013 State President's Project

The State President's Theme this year is *Tell the Story*. Help State President, Georgia Ditmore, *Tell the Story* of how and why American independence was won. Join the North Carolina Society in supporting the actors of Snow Camp Outdoor Theatre who presented *The Sword of Peace* in their 39th season this past summer. Participate in raising funds by buying lapel pins with the logo, making monetary donations, and bringing an item for the silent auction to State Conference. Profits will be used to purchase new Regulator and soldier costumes that will be worn in the play.

2012-2013 National President's Project

National President Greg Thorne's Project is to raise funds for the Sword Surrender Site Project at Saratoga National Park. This project will include a bas-relief sculpture, memorial, walkways, and interpretive signage. The basis of this project is the famous painting, *The Surrender of General Burgoyne*, by John Trumbull. Major Henry Dearborn would later reflect that Saratoga was "one of the Greatest battles that ever was fought in America." Saratoga was the turning point, not only for the colonists, but also for the world. Without this victory, there is no success in our Revolution, there is no French or Spanish alliance, and there is no United States of America.

Joel Lane Society

The Joel Lane Society was established in March of 1953 and is celebrating 60 years.

Its members began their fall with a Halloween meeting, October 28, 2012. Members came dressed as their patriot ancestor, a Revolutionary hero or in their favorite costume. Joel Lane Registrar and State Patriotic Education Chairman, Alex Phillips came dressed as Joel Lane and gave a presentation on Lane's life. Max Guest, State membership Chairman gave a short membership presentation and Audria Vickers, State Historian gave a John Trumbull presentation. Lee Utter, Joel

Lane Society President presided at the meeting after driving from the ECU campus through the flooding, rain and wind as Hurricane Sandy brushed the North Carolina coast on her move up to devastate the Northeast.

Cathy Cnare, Regent for the Yates Mill Chapter, NSDAR invited Joel Lane Society members to a grave marking ceremony commemorating Nathaniel Jones on November 17, 2012. Seven Joel Lane members attended. Georgia Ditmore, State President, Lee Utter, Sarah Peterson, Alex Phillips, and the three Cnare children, Kate, John and Bobby, Joel Lane Corresponding Secretary. Several descendants of Nathaniel Jones were present and spoke.

Our January 5, 2013 meeting was called to order by Lee Utter. We began by watching portions of "Extreme Makeover" -the Friday family from Crossnore. After watching the broadcast, Catherine Horne, National Mountain Schools Chairman treated members to a virtual tour

*Joel Lane Society members

Joel Lane Society members meet on January 5

of Crossnore. Catherine and Ella Drew, State Mountain Schools Chairman encouraged everyone to continue collecting backpacks and filling them with school supplies for delivery to Crossnore. Ella also gave an update on her contest. Sarah Peterson, Joel Lane Society Vice-President, gave us a preview of her Girl Scout Gold Award project, "What Happened in Your Backyard" (see insert). Audrey Ditmore, State Curator, read a book report. It was illustrated by big sister, Georgia, and Haley and Ashlyn Seaboch. Haley Seaboch, State Chairman gave a report on her American Heritage contest and then had everyone copy and color pictures of John Trumbull painting. Caswell Choi gave a brief biography of his patriot ancestor, Richard Bland, complete with pictures from Williamsburg. Richard Bland was a successful planter from Virginia and served in the 1st and 2nd Continental Congress.

The meeting ended with an activity that had members writing notes using invisible ink (lemon juice) to demonstrate how Revolutionary officers used "masking" techniques to send orders across enemy lines.

Joel Lane members are looking forward to the meeting Sunday, February 17, 2013. They have fun chronicling their past

year's activities selecting pictures and articles to include in their scrapbook.

Girl Scout Gold Award

Sarah Peterson has incorporated her love of history and the C.A.R. into her Gold Award Girl Scout project.

Sarah has been in the Girl Scouts for five years. She is in Troop 1391 in Cary, N.C., which is under the Council of North Carolina Coastal Pines.

Her project is "What happened in your backyard" and she is looking for historical battles and events in the area. In her backyard of Cary, NC she found Hart's Mill in Hillsborough, NC, Ramsey's Mill, near Moncure, NC, and Kirk's Farm, Hillsborough, NC.

For the Joel Lane Society's Halloween Party I wore a grass skirt from Hawaii. I wore it over a brightly flowered sun dress with lei's and a flower in my hair. The skirt was brought back by my great uncle Bill during World War II. He was in the Navy in the South Pacific and went to Hawaii for R&R on his way home. I took photos of Bill in his uniform to show the other members. Uncle Bill was the younger brother of my Great Grandfather, who is the father of my Grandma Mary, who is my Daddy's mother. My Grandma Mary is in the Yates Mill DAR Chapter.

Governor Alexander Martin Society

The Governor Alexander Martin Society had a special January meeting. Charlie and Madeline Meadows came as our guest speakers and presented programs on their topics. We learned about endangered species and the laws that protect them as well as information about the C.A.R. Library. We also celebrated Charlie's birthday! Mrs. Floyd baked a birthday cake, and Dr. Floyd decorated it with the outline of a wolf, one of the endangered species Charlie taught us about in his presentation. It was lots of fun! We are looking forward to seeing everyone at State Conference!
