North Carolina Society C.A.R.
2014-2015
Yearbook, State Program, and Handbook

The goal of this year's State President's Project, *Rebuild the Fire*, is to raise money and school supplies to support the New Kituwah Academy in Cherokee, North Carolina. This privately funded school strives to strengthen the language, customs, and folklore of the Cherokee people in North Carolina by educating its youth.

A recent study by the Eastern Band of the Cherokee Indians has shown that there are only 460 fluent Cherokee speakers left in the east and 72% of these speakers are over 50 or are in ill health. A key component in rebuilding the fire of the Cherokee nation is the New Kituwah Academy. Beginning in 2004 as a mere one room school with only 7 students, the New Kituwah Academy sparked a flame of hope for the Cherokee people and their heritage. Throughout the years the academy has grown to teach students ages 7 months to 10 years in Cherokee language, customs, and folklore. New Kituwah currently serves 90 children and only admits those who will carry on their learning at home with their families. Although privately funded, the academy makes sure that every class, including the infant and toddler care rooms have a Cherokee speaker to aid in teaching. Attending the New Kituwah Academy is an invaluable opportunity for 90 children to carry on the culture of their people and our state. It provides children with self-confidence, pride in their heritage, education, and a support system for the rest of their lives, just like C.A.R. has done for so many of us.

Join the North Carolina Society Children of the American Revolution as we *Rebuild the Fire* in the Cherokee Nation.

Sincerely,

Alexandria Swaim
State President

NATIONAL PRESIDENT'S PROJECT

<u>Chairman</u> Ashlyn Seaboch 617 Wimberly Road Apex, NC 27523-6775 (919) 303-5093 car_seaboch@rocketmail.com	<u>Senior Chairman</u> Celeste Maus P. O. Box 1183 Edenton, NC 27932-1183 (252) 482-7203 celeste_maus@hotmail.com
--	---

The 2014-2015 national project will raise money to supply ten flags and flagpoles for the grounds of the Star-Spangled Banner Flag House in Baltimore, Maryland. The Flag House began as the home of Mary Pickersgill, the maker of the original Star-Spangled Banner. The Flag House preserves her home and also consists of an adjoining museum that tells the story of how Mary's flag helped to shape American independence.

Unfortunately, all ten flags on the grounds of the Flag House are in need of repair. This is an expensive process and is not covered by the museum's restricted funds. Our donation will replace five flagpoles on the grounds, four flagpoles installed on the windows of Mary Pickersgill's house, and one flagpole that will fly a large Star-Spangled Banner. In addition, our Society will provide replacement flags to be flown for years to come.

The 2014-2015 national theme is **O! Say Can You See** and will support the 2014-2015 national project, the Star-Spangled Banner Flag House. With our help, this Star-Spangled Banner National Historic Trail landmark will again proudly fly its flags, and the National Society of the Children of the American Revolution will leave a star-spangled legacy to honor the flag's bicentennial.

Standards of the National President:

1. Prepare agendas for society meetings
2. Preside at meetings of your society
3. Emphasize education on the American flag's history
4. Provide lessons of flag etiquette to nonmembers
5. Support the national project

Local or State Presidents submitting documentation verifying that the five National President's standards were met may receive the Outstanding Officer Award recognition certificate.

2013-2014 STATE PRESIDENT'S REPORT

CHILDREN OF THE AMERICAN REVOLUTION STATE PRESIDENT'S REPORT

The North Carolina Society Children of the American Revolution had a very successful year fulfilling the State President's theme, "Caring for our Heroes." In April 2013, the State President was installed at National Convention and began touring the state while making plans for the year. For 2013-2014, the N.C.S.C.A.R. had a net gain in membership with a new society organizing and some societies reorganizing.

The State President's Project used the theme "Caring for our Heroes" to encourage C.A.R. members and others to remember and be supportive of all veterans, especially those with Post Traumatic Stress Disorder, or PTSD. North Carolina has the highest euthanasia rate for shelter animals in the entire nation and each dog rescued from an animal shelter is a life saved. The N.C.S.C.A.R. used funds donated to support Wags4Tags, a non-profit organization that rescues dogs from animal shelters and trains them as Companion Dogs. These dogs are chosen from across the state specifically for the veteran with PTSD they are to help and given free of charge to the veteran. As the veteran and his Companion Dog go to the store, walk down the street, or even rest at home, the dog is there to guard and reassure the veteran. If the veteran is having nightmares, the dog will wake him up. Many veterans have had their lives changed as their constant companion helps them re-acclimate to civilian life. The N.C.S.C.A.R. raised \$6,467.50 for Wags4Tags—enough to rescue and help six or seven dogs and veterans!

This State President attended the DAR State Conference in April and participated in three N.S.C.A.R. regional meetings during the summer. She spoke at several local C.A.R. and DAR society meetings across the state during her term of office. The N.C.S.C.A.R. Summer Board was held on August 10, 2013 in Winston-Salem, North Carolina. The members toured Old Salem before the meeting and learned about North Carolina's history. This State President also attended two DAR Fall Forums in August. She was honored to page for the DAR President General during her time in North Carolina on the DAR School Bus tour in October.

Winter Board was held on November 9, 2013 in Kinston, North Carolina at the *C.S.S. Neuse* Museum. This meeting provided a halfway mark for the C.A.R. year and officers, chairmen, and society presidents reported on the year so far. The members also toured the *C.S.S. Neuse* ironclad.

This State President spoke at the SAR Board of Managers meeting in February. She participated in several memorial services with DAR, SAR and C.A.R. members and also the SAR President General. In spring, she visited two other states' C.A.R. conferences. The N.C.S.C.A.R. closed out the year with their annual State Conference held at the Sheraton Europa in Chapel Hill, North Carolina, March 21-23, 2014. Members gave year-end reports and conducted the society's business.

In April 2014, six delegates, including this officer, attended National Convention in Arlington, Virginia.

Audria Vickers, N.C.S.C.A.R. State President 2013-2014

2013-2014 SENIOR STATE PRESIDENT'S REPORT

North Carolina C.A.R. has spent the past year "Caring for Our Heroes" those veterans with Post-Traumatic Stress Disorder (PTSD). The project this year has touched the hearts of many within our parent organizations and within the State society itself. A few members of parent organizations have gone out of their way to provide support for the State project this year in many different ways.

The State society's year began in Jacksonville, Florida for the SE Regional meeting in July. State President, Audria Vickers, participated in many skits and other members also took part.

The society kicked off its "Caring for our Heroes" State Project at Summer Board in Old Salem in August. Ronnie Sadoski of Wags4Tags attended the meeting and brought one of his emotional support dogs with him so attendees could understand what these dogs mean to a veteran with PTSD. Members participated in skits during the meeting. Prior to the meeting members took a tour of Old Salem. The evening concluded with some of the attendees eating dinner at the Old Salem Tavern.

In November, the State society came together once more for Winter Board at the *CSS Neuse* in Kinston. Members got to tour the brand new facility and survey all artifacts from ships of the past. A few select members also took part in the Kinston Veterans' Day parade, receiving attention in the National magazine and other publications.

The State society is healthy with 310 members total and growing, a number verified now the National Society gives Senior Society Presidents access to their own rosters with the new e-C.A.R. system at nscar.org. North Carolina C.A.R. has rebuilt its website and has brought it close to full functionality thanks to the efforts of Senior Webmaster, Janet Vickers. This project had many complications to get our website updated and legitimate is very much appreciated.

A lot of work has been put into the 74th Annual State Conference with the help of just a few people. A big thanks goes out to the State Conference Committee, who has taken quite a heavy load for this State Conference.

The State Conference took place at the Sheraton in Chapel Hill, NC. Members spent Saturday afternoon at the Duke Lemur Center. Members of the N.C.S.C.A.R. State Board have taken an active role in decisions that have a major impact on the State Society.

This Senior State President would like to thank his State President, Audria Vickers for all the work she has done to push her State Project in every avenue of C.A.R. Through her State Project, she worked with Wags4Tags based

in the Triangle in providing veterans with PTSD with emotional dogs to help them through the every day moments of their life. Through the help of the State C.A.R. Society, DAR members, SAR members, SR members and beyond, her project raised enough money to provide full support to pair six veterans with their own emotional support dog.

This Senior State President would like to thank his board, including Awards Chairman Angela Cline; Gary and Renee Horne for their efforts Nationally and with the top notch *Tarheel Tattler* newsletter; Patrick Crist for putting together two great memorial services during his term; Gayle Watson for wrangling our finances (maybe the most difficult thing to do in our society); and to the rest of the Senior Board who played a role in our State Society. Whether it was simply presenting a contest, judging entries, or mentoring your members, each Board member has a role to execute for the State Society and it is not lost on this Senior State President. This Senior State President would like to congratulate Carolyn coodes on her appointment as Senior State President for the 2014-2016 term.

This Senior State President would like to thank N.C.S.C.A.R. and the National Society, Senior National President, Hans Jackson and the entire Board for allowing this Senior State President to serve.

(Article III, National Bylaws)

HOW TO MAKE, SECOND, DISCUSS, AND VOTE ON A MOTION

1. **Only Members can make a Motion.** If the President wants to make a motion, she or he has to have the Vice President take the Chair and then takes a seat with the other members. After a second, discussion, any amendments [always voted on before the main motion is voted on] and a vote, the President then resumes the Chair. "I move that _____." {It is not acceptable to just say, "I so move."}
2. The chair repeats the motion, "It has been moved that _____, is there a second? **Only a Member** can second (or agree to discuss) a motion. If no one seconds the motion, the motion dies for lack of a second.
3. If the motion is seconded, the President repeats, "It has been moved and seconded that _____. Is there any discussion?" The President recognizes members who rise and speak for or against the motion. No member can speak more than twice to a motion before all members who would like to speak have had a chance to speak.
4. After a reasonable amount of discussion, the President can ask, "Are you ready for the question?" Or a member may say, "I call the question." to call for a vote. A majority (more than half) of the members must agree that they are ready to take a vote. Before taking the vote, the President repeats the motion (including any approved amendments) .
5. The vote can be a voice vote, a standing vote, or a ballot vote. If any member asks for it, a ballot vote must be taken. If it is hard to tell by a voice vote, then a standing vote or ballot vote should be taken. "All those in favor, say 'Aye.'" "All those opposed say 'Nay.'"
6. **Decision:** The President then announces the results of the vote, indicating officially if the motion has passed or failed.
7. **Reconsider:** A motion can be reconsidered only as long as no irreversible action has already been taken after the motion passed and 2/3 of all voting members agree to re-debate the motion. Only someone who voted on the winning side can ask to re-discuss or debate and then vote on the same motion.
8. **An Amendment:** Any member can ask to amend, add on to or change some part of a motion. The President must first ask the person who made the motion if they agree to having their motion amended. If they do, then the Amendment must be seconded, discussed, and passed before it can then be added to the motion on the "table." If the Amendment passes, then the "main" motion is voted on as amended

Tabling a motion: If a member feels there is not enough information or time to properly decide on a motion, they may ask the Chair to Table the Motion until a specified later time. The Chair asks for a second, discussion, and a vote on tabling the motion.

GUIDE FOR INCOMING STATE OFFICERS, CHAIRMEN AND SENIORS

As a newly appointed officer or chairman you should read and understand the North Carolina Society C.A.R. Yearbook, Handbook and Bylaws. The National Handbook, and the National bylaws will also be helpful to you during the course of your term.

Your State President needs your dependability throughout the year so all of his or her plans can be accomplished. Plan to attend the Summer Workshop, Winter Board Meeting, and Annual State Conference. If you are unable to attend tell to your State President and your Senior that you will not be able to attend and forward any contest and report information that you have to your State President and Senior. Communication with your State President and Senior State Officer or Chairman is the key to a successful term.

One of your responsibilities is to create a state contest based on the National Officer's or Chairman's contest. Consult your Senior for guidance to develop your state contest. He or she will give you suggestions and help you stay within the scope of the National Officer's or Chairman's contest. The State Contest should closely follow the National Program. Remember you and your Senior must provide any monetary award responsibility.

When giving your state reports you will need five copies of each to be given to the State President, the Senior State President, the Recording Secretary, your Senior State Officer or Chairman, and yourself. These copies should be typed with your name and title and your senior's name and title at the bottom. Then you and your senior should sign each copy. You will need to prepare your contest and/or report even if you are unable to attend a meeting and forward three of them to your State President to give to the Senior State President and Recording Secretary and forward a copy to your Senior State Officer or Chairman.

Don't forget that your service to the C.A.R. can count toward community service in school and youth groups. Keep track of your hours and the impact of your programs to get full credit.

Timeline:

- Your term of office begins in April, immediately following the installation of the State President at the National Convention.
- Early Summer (June) - create your contest
- Summer Board (August) - be prepared to present your contest and report on your C.A.R. activities since State Conference.

N.C.S.C.A.R. Handbook

- Winter Board (November) - be prepared to present a brief report (no more than 2 minutes) on your activities relating to C.A.R. since Summer Board as well as encouraging local societies to enter your contest.
- Before State Conference (early March) - judge the contest entries with your senior.
- Annual State Conference (March) - be prepared to present a brief report (no more than 2 minutes) about your activities related to C.A.R. for the entire year.
- Your term of office ends in April with the installation of the new State President (at the National Convention) which begins the new term.

Note: Your reports should be limited to events and activities that are related to C.A.R. only and be written in 3rd person.

Remember to ask questions. If you do not understand your responsibilities ask your State President, Senior State President, and/or Senior State Officer or Chairman for help.

Above all, have **FUN!** This is *your* organization and you should be proud that you are helping promote the Objectives of the Children of the American Revolution.

ADDITIONAL INFORMATION FOR INCOMING SENIOR STATE OFFICERS AND CHAIRMEN

Your term of office is two years concurrent with the Senior State President's term. Your responsibility is to guide your member in accomplishing his or her goals and responsibilities. Please review the responsibilities of your member. Communicate with your member on a regular basis and encourage them to ask you questions about their responsibilities. This is the key to having a successful and productive year. Remember not to do their job for them. If you have questions about your responsibilities, ask your Senior State President.

**THE PLEDGE OF ALLEGIANCE TO THE FLAG OF
THE
UNITED STATES OF AMERICA**

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands – one nation under God, indivisible, with liberty and justice for all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a Perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

William Tyler Page

C.A.R. CREED

I believe in the Children of the American Revolution as an organization for the training of young people in true patriotism and love of country, in order that they shall be better fitted for American citizenship.

As a descendent of the Founders of my Country, I believe that my birthright brings a responsibility to carry on their work, and that as the boys and girls of 1776 took an active part in the War for Independence, so the boys and girls of today have a definite work to do for their Country.

As a member of the Children of the American Revolution, I believe it is my duty to use my influence to create a deeper love of country, a loyal respect for its Constitution, and a reverence for its Flag among the young people with whom I come in contact.
