Message from the State President

Greetings C.A.R members!

My name is William Johnston and I am your new N.C.S.C.A.R State President. I would like to take this opportunity to talk about the upcoming 2019-2020 project. My project is inspired by my family's military background. We have been a military family for my entire life, and over the years we have enjoyed traveling across the country and overseas. The USO holds a special place in the hearts of all military families, and with my project I intend to give back to this organization by helping current and future military families experience the comforts that my family has received.

The project is twofold. First, I hope to raise money to fund the purchase of three new commercial-grade lounge chairs that will be placed in the Fayetteville Airport's USO lounge. An estimated 3,000 people per month sit on the chairs at the lounge, and the ones purchased in 2011 are starting to wear out.

Second, I wanted to find a way to make all of our state's C.A.R. members personally involved in the project. We will be home making and collecting quilts and fleece tie blankets to donate to the USO, and they will distribute them to passengers and families traveling through our four NC USO airport lounges. Members will have the opportunity to learn how to piece and quilt fabric, as well as designing patterns and choosing colors. This way, even the youngest members can help.

I hope all members and Seniors will enjoy supporting my State President's Project, *A Traveler's Rest!*

William Johnston
State President, N.C.S.C.A.R.

Contest Information for 2019-2020

**It is now even easier to enter contests
at both the State *and* National level!**

- The objectives and programs for entries are now the same for both state and national contests*, so you don't have to make any changes between your state entry and your national entry! We highly encourage you to enter BOTH!
- Entry is now ELECTRONIC for almost every contest!
 - Email** your entries to North Carolina contests to contests@ncscar.org Be sure to use the contest entry form on the next page, include the contest name in the subject line, and email your entry not later than **Friday, February 28th**. A writable contest form can also be found on the North Carolina State Society webpage at ncscar.org [**Merit Award entries must be mailed.]
 - Email** your entries to National contests to nscarcontests@gmail.com using the contest form on page 3 of the national program packet found on national's web site at nscar.org. **Deadline March 2nd, 2020.** [**National Merit Award entries must be mailed.]

Notes for entering contests this year:

- North Carolina contest entries will receive additional consideration in judging where the focus is on North Carolina when possible.
- Contest suggestions are just that: suggestions. Develop your own program to meet the objective and program as best fits your society.
- Watch for stories in the *Tarheel Tattler* by each of the contest chairs to inspire you, help you along, and help you see why each area is important!
- Many contests are an easy activity for a local Society meeting. Not sure what activity to do this month? Work on a contest!
- Brag about your contest work in your entry! Your Society put in a lot of work on that contest entry: make sure the excitement and level of effort come through in your entry!

*The requirements for the North Carolina Merit Award and State President's contests do focus on the North Carolina State President's Project, and so are somewhat different than the National contest requirements.

NATIONAL PRESIDENT’S PROJECT

<p><u>Chairman</u> Mary Lee Howell mary.l.howl@gmail.com</p>	<p><u>Senior Chairman</u> Celeste Maus PO Box 1183 Edenton, NC 27932 (252) 482-7203 celeste_maus@hotmail.com</p>
---	---

The 2019-2020 National Theme, *Foundations of Freedom*, supports the 2019-2020 National Project, George Washington’s boyhood home, Ferry Farm, and provides our members with leadership development opportunities to better equip them with the skills to be tomorrow’s leaders.

George Washington’s boyhood home is where the first President of the United States was shaped into the man he would become and where the foundations of his leadership were laid. Today, it is owned and operated by the George Washington Foundation, a 501(c)(3). Many of the characteristics that made George Washington a great leader took root at Ferry Farm.

The first goal of the *Foundations of Freedom* project is to raise funds for the reproduction of the Washington Family Desk and to support the development of Ferry Farm’s web-based educational initiatives for students to access around the world. The George Washington Foundation is creating educational programs on George’s *Rules of Civility and Decent Behavior*. Young George did not receive a formal education in England like his older half-brothers due to his father’s death, but with the aid of his mother, learned how to be a gentleman—of honesty, integrity, dignity, determination, and self-confidence. The reproduction desk is an example of the type of desk found in the family’s parlor that would have been used by all members of the household to do school lessons and write letters, and likely where the *Rules of Civility and Decent Behavior* was penned. The replica desk is C.A.R.’s tangible way to leave its mark at this important historical location.

The second goal of the project is to expand the leadership development opportunities that The National Society of the Children of the American Revolution offers our members. In keeping with our creed, “the boys and girls of 1776 took an active part in the War for Independence, so the boys and girls of today have a definite work to

NATIONAL PRESIDENT’S PROJECT (continued)

do for their Country.” What better way to become good citizens than to develop leadership skills that will last a lifetime!

The project connects history and leadership. Our Mission Statement states, “The National Society of the Children of the American Revolution trains good citizens, develops leaders and promotes love of the United States of America and its heritage among young people.” The *Foundations of Freedom* project highlights all aspects of that mission by raising funds for historic reproduction and educational programs at Ferry Farm, while simultaneously striving to equip our members to be the leaders of tomorrow.

While the *Foundations of Freedom* is a reference to George Washington’s boyhood home, Ferry Farm, and the leadership skills that were developed there, the theme can apply to much more than just George Washington. The *Foundations of Freedom* can be how your Revolutionary ancestor aided the cause of freedom or how service members today maintain our freedom at home and abroad. Making the *Foundations of Freedom* not only a theme, but a concept that can be applied to American history by exploring how American leaders have maintained freedom in our nation since the founding of our country.

2018-2019 STATE PRESIDENT'S REPORT

This State President had a wonderful year, and will never forget the amazing opportunities and experiences that she got to be a part of. After being elected into office by the NC State society, she traveled to the National Convention in Washington D.C. to be sworn in by National President David Graham on George Washington's homestead, Mount Vernon. After National Convention, she set four goals for her program year. The first was to increase statewide membership equivalent to one new member per society, or about 30 new members. Her second goal was

to enhance member participation at all levels of C.A.R. including, the local, state, and national levels. Her third goal was to enhance communication between the C.A.R. and its parent organizations, the D.A.R. S.A.R and S.R. Her fourth and final goal was to raise fund to provide three service dogs to veterans in need through the North Carolina based non-profit organization Wags4Tags. She then returned home to present her project at the D.A.R. State Conference and began working to achieve her goals for the year. After working towards her goal in her own state for a while, she headed down to Jacksonville, Florida, to help her fellow national board members develop the skits that would be performed around the country at each regional meeting. There, she led the NC delegation to the Southeastern regional meeting and presented her project to the other members of the region. She then led the NC delegation to the Eastern Regional meeting, but was soon back home to continue to work on her goals. In July, she held her summer board meeting at Marine Corps base Camp Lejeune, where the members learned about her goals for the year and enjoyed a fun day at the beach while the members of the state board served hot dogs and hamburgers. The State President was honored to have Hope For The Warriors come and talk about the work that they do, and how important caring for our veterans is. Her winter board meeting was held in November at the historic Mundy House in Denver, NC, where the members heard a representative of Wags4Tags come and speak about how her service dog helps her day to day. The members also met Charlie, a beautiful German Shephard working as a service dog. The State President continued to travel around the state, speaking to local C.A.R. societies as well as D.A.R. and S.A.R. chapters about her project. At the end of her term, she hosted the 79th annual NCSCAR State Conference in Wilmington, NC. The members took a tour of the Battleship North Carolina, and had a great time exploring the decks. By the end of her term, this State President had met and exceeded all four of her goals for the year, including doubling her project goal to provide six service dogs for veterans in need, and almost doubling her goal of 30 new members. It was a fantastic year, and she is so glad that she had the opportunity to serve the state society as its President. She would like to thank all those who helped her achieve her goal, and those that guided her through her term. Without you all, this year would not have been possible.

Daisy Dolicker, State President 2018-2019

2018-2019 SENIOR STATE PRESIDENT'S REPORT

It was a huge honor and privilege to serve this year as the senior to my daughter, state president Daisy Dolicker! The four goals she set for the state Society supported not only national president David Graham's project, but also the needs and goals of the national, state, and local Societies.

None of that would have been possible without a very supportive board, cadre of chairmen, seniors across the organization, and our enthusiastically supportive parent societies of the DAR, SAR, and SR. Thank you to all who really helped our Societies thrive and helped our veterans heal!

It was a memorable and hectic year from being sworn in at George Washington's Mount Vernon homestead with C.A.R. friends and colleagues, through the DAR state conference, summer and winter boards, Society and parent society chapter visits to promote C.A.R. and the Helping Our Veterans Heal project, and culminating with the amazing state conference and debutante presentation at the Hotel Ballast in Wilmington.

Along the way I had the opportunity to watch our state president and other officers and chairmen really grow and develop in so many ways and they represented the North Carolina Society across the state, the southeast region, and nationally over many of the 9 C.A.R. regions. The presence, poise, maturity, and leadership skills that these fine members develop, hone, and demonstrate in a myriad of circumstances and environments is truly impressive!

The year ended with a significant growth in membership of nearly 60 new members, and a heartwarming 6 fully trained service dogs sponsored to disabled North Carolina veterans in need saving 12 lives in the process. Thanks to all of you, it was a very good year!

George Dolicker, Sr. State President 2018-2019

HANDBOOK
OF
THE NORTH CAROLINA SOCIETY OF THE
CHILDREN OF THE AMERICAN REVOLUTION

Section 1. Dues and Fees

- 1.1 The annual dues of the State Society, as outlined in Article XIII, Section 1 of the State Society Bylaws, shall be ten dollars (\$10).
- 1.2 The annual Senior Society President's fee, as outlined in Article XIII, Section 2 of the State Society Bylaws, shall be ten dollars (\$10). In addition, there is a National Senior Society President's fee of ten dollars (\$10).
- 1.3 The State Patriot's fee, as outlined in Article XIII, Section 3 of the State Society Bylaws, shall be ten dollars (\$10) annually. This fee shall be collected by the Senior State President and deposited in the General Fund. The Senior State Treasurer shall periodically or upon request send a check to the Senior State President for the amount of State Patriot fees collected to offset expenses. A State Patriot receives a subscription to the *Tarheel Tattler* for the year they pay the State Patriot's fee.
- 1.4 By motion of the Board, the State Society may pay registration fee for members attending National Convention after verification of attendance by the Sr. State President.
- 1.5 Awards—By motion of the Board, there is a \$10 maximum award for all contests. Each Senior officer or chairman pays \$10 toward the awards amount to the Sr. Awards Chairman regardless of whether they have a contest winner. If you are a Sr. Society President and have paid your fee, you don't have to pay again. The member officer or chairman pays nothing. If the total collected does not add up to the total awards amount, the balance comes from the General Fund. If the total adds up to more than that needed for awards, the balance goes into the General Fund.
- 1.6 By motion of the Board, the Sr. State President may receive up to \$150 per year from the General Fund to assist with expenses of the position.

- 1.7 The State Society will pay for the Honorary State President's neck ribbon ONLY as a gift for the outgoing State President if they are elected an Honorary at the end of their term. The member must pay for the pin and insignia to go on the ribbon.
- 1.8 By motion of the Board, the annual recipient of the DAR State Regent's/SAR State President's Outstanding C.A.R. Member award will receive \$100 to be paid by donations from NCSDAR (\$50) and NCSSAR (\$50.) (March 20, 2016)

Section 2. Funds

The Senior State Treasurer maintains the following funds in the name of the State Society:

- 2.1 General Fund (checking account)—annual dues, fees and other income constitute the General Fund to be used for the legitimate expenses of the State Society. The Senior State Treasurer prepares an annual budget for the State Society to be presented at Summer Board for approval. All expenditures not budgeted or designated must be approved by the Senior State Board or the Senior State President.
- 2.2 General Fund (MM)—A portion of General Fund monies were put into a Money Market account to earn more interest.
- 2.3 Fleming Scholarship Fund (MM)—specifically for the payment of the Fleming Scholarship annually. The Fleming Scholarship award is \$1,000 to be awarded to the winner annually until the Fund is depleted or the principle is increased and interest earned on the Fund provides an award of \$1,000 or more. Applicants must apply for the Scholarship. (Revised August 2013)
- 2.4 State President's Fund (MM)— designated to assist the State President in expenses during the year. A \$500 award is paid to the newly installed State President after returning from National Convention in April to be paid annually from the principle of the Fund until it is depleted. (Revised August 2013)

Section 3. State President's Project

- 3.1 The newly elected State President shall present his/her proposed project to the Senior State Board.
- 3.2 State Society funds may be used for the advance purchase of fundraising items (including tax, shipping, and handling costs) for the State President's Project with approval of the Senior State Board or a committee appointed by the Senior State President. After receiving documentation showing the total cost of items, and approval by the Senior State Board, the Senior State President will authorize the Senior State Treasurer to make payment toward the purchase of the items. That amount shall be deducted from the donations received for the project and the net proceeds will then go toward the project.

For accounting purposes, donations to the State President's Project, while held in State Society accounts, are not considered State Society funds. No State Society funds may be donated to or used to support expenses of the State President's Project except to offset advance purchase of fundraising items as noted above. Distribution of special contributions (e.g. from the DAR, SAR or other source) may be determined by motion of the State Board and approved by the Senior State Board and may include a portion going to the State President's Project before becoming State Society funds. (Revised November 2015)

Section 4. State Conference

- 4.1 It has been customary for the State Society to pay for two night's lodging and luncheon and banquet for the State and Sr. State President during State Conference.

Section 5. Debutante Presentation

- 5.1 A female member in good standing is eligible to be presented as a debutante at 18 years of age or a senior in high school through the age of 21 years.

- 5.2 The Debutante Presentation will be included as part of the Awards Banquet at State Conference as long as there are at least four eligible young ladies to be presented.
- 5.3 The Debutante Presentation fee is \$275 with an early fee of \$250 if participants register by November 1st. This fee shall be set so that the Debutante Presentation is at least self-supporting (no additional funds are required from the General Fund or State Conference income). The Senior Debutante Chairman is responsible for tracking expenses versus income of each presentation and recommending changes to the Senior State Board.

Section 6. Robert B. Fleming, Jr. Scholarship

 - Arrange for checks to be issued to the winner.
- 6.2 Judging
- 6.2.1 The judges shall be selected by the Senior State Vice President of the N.C.S.C.A.R.

- 6.2.2 The application, essay, personal statement and letter of recommendation will be submitted to the Senior State Vice President who will send them to the judges with the applicant's name removed.
- 6.2.3 The judges' final decision shall be submitted to the Senior State Vice President who will announce the winner at the N.C.S.C.A.R. State Conference.
- 6.3 Scholarship winners will be awarded the amount designated in Section 2.3. Checks shall be made payable to the winner and presented at State Conference or Summer Board depending on fund availability. The amount of the award may be changed periodically by vote of the members and approved by seniors to better reflect available funds and actual college expenses.

Section 7. Revisions

Recommendations for revisions or additions to this Handbook may be made and voted on at any State Board meeting during the year and forwarded to the Senior State Board for approval.

Announcements:

Next meeting Date: (Always give) _____.

Adjournment: “I declare the meeting adjourned.”

HOW TO MAKE, SECOND, DISCUSS, AND VOTE ON A MOTION

1. Making a Motion: Only Members can make a motion. If the President wants to make a motion, she or he has to have the Vice President take the Chair and then takes a seat with the other members. After a second, discussion, any amendments [always voted on before the main motion is voted on] and a vote, the President then resumes the Chair. “I move that _____ (It is not acceptable to just say, “I so move.”)
2. The chair repeats the motion, “It has been moved that _____, is there a second? **Only a Member** can second (or agree to discuss) a motion. If no one seconds the motion, the motion dies for lack of a second.
3. If the motion is seconded, the President repeats, “It has been moved and seconded that _____. Is there any discussion?” The President recognizes members who rise and speak for or against the motion. No member can speak more than twice to a motion before all members who would like to speak have had a chance to speak.
4. After a reasonable amount of discussion, the President can ask, “Are you ready for the question?” Or a member may say, “I call for the question” to call for a vote. A majority (more than half) of the members must agree that they are ready to take a vote. Before taking the vote, the President repeats the motion (including any approved amendments.)
5. The vote can be a voice vote (“All those in favor, say ‘Aye.’” “All those opposed say ‘Nay’”), a standing vote, or a ballot vote. If any member asks for it, a ballot vote must be taken. If it is hard to tell by a voice vote, then a standing vote or ballot vote should be taken.
6. Decision: The President then announces the results of the vote, indicating officially if the motion has passed or failed.

7. Reconsider: A motion can be reconsidered only as long as no irreversible action has already been taken after the motion passed and 2/3 of all voting members agree to re-debate the motion. Only someone who voted on the winning side can ask to re-discuss or debate and then vote on the same motion.

8. An Amendment: Any member can ask to amend, add on to or change some part of a motion. The President must first ask the person who made the motion if they agree to having their motion amended. If they do, then the Amendment must be seconded, discussed, and passed before it can then be added to the motion on the “table.” If the Amendment passes, then the “main” motion is voted on as amended.

9. Tabling a Motion: If a member feels there is not enough information or time to properly decide on a motion, they may ask the Chair to table the motion until a specified later time. The Chair asks for a second, discussion, and a vote on tabling the motion.

GUIDE FOR INCOMING STATE OFFICERS, CHAIRMEN AND SENIORS

As a newly appointed officer or chairman you should read and understand the *North Carolina Society C.A.R. State Program Packet and Handbook*. The National Handbook and Bylaws will also be helpful to you during the course of your term. The National and State web sites have useful information on both the public and member only sections.

Your State President needs your dependability throughout the year so all of his or her plans can be accomplished. Plan to attend the Summer Board Meeting, Winter Board Meeting, and Annual State Conference. If you are unable to attend tell your State President and your Senior that you will not be able to attend and forward any contest and report information to your State President and Senior.

Communication with your State President and Senior State Officer or Chairman is the key to a successful term.

One of your responsibilities is to create a state contest based on the National Officer's or Chairman's contest, but also including the State President's Theme/Project as much as possible. Consult your Senior for guidance. He or she will give you suggestions. The State Contest should closely follow the National Program. Your Senior will provide any monetary award but you must decide how to divide the award among the winners.

When giving your state reports you will need five copies to be given to the State President, the Senior State President, the State Recording Secretary, the Senior State Recording Secretary and your Senior State Officer or Chairman. Don't forget to keep one for yourself. These copies should be typed with the event (Summer Board, etc.) and the date at the top and your name and title and your senior's name and title at the bottom (do not type "Sincerely" at the end.) You and your senior should sign each copy. You will need to prepare your report even if you are unable to attend a meeting and forward a copy to the State President, Senior State President, State Recording Secretary,

Senior State Recording Secretary and your Senior State Officer or Chairman.

Don't forget that your service to the C.A.R. can count toward community service in school and youth groups. Keep track of your hours and the impact of your programs to get full credit.

Timeline:

- April – Your term of office begins immediately following the installation of the State President at the National Convention.
- June/July – In early Summer when the National Program Packet is released the State President will send you information to create your contest. Also, plan to attend the Southeastern (SE) Region Meeting that is held on a rotating basis in one states of the region [Alabama, Florida, Georgia, North Carolina, South Carolina.]
- August – Attend Summer Board to hear about the National President's Project, the State President's Project, and activities planned for the year. The State President may ask some officers and/or chairmen to talk about their contests.
- November – Attend Winter Board and be prepared to present a brief report (no more than 2 minutes) on your activities relating to C.A.R since Summer Board as well as encouraging local societies to enter your contest.
- February – Prepare to submit contest entries by the last day of this month. If an officer or chairman, you will be receiving entries to judge with your Senior.
- March – National Contest entries are due the first week of the month. Before State Conference judge the contest entries with your senior and submit the winners to the Conference Awards Chairmen. Attend the Annual State Conference and be prepared to present a brief report (no more than 2 minutes) about your activities related to C.A.R. for the entire year. Voting will also take place at State Conference.
- April – Your term of office ends in April with the installation of the new State President (at the National Convention) which begins his/her new term.

Reports: Your reports should be limited to events and activities that are related to C.A.R. only and be written in 3rd person. Address only the State President when reading your report and end by reading your name and title and your Senior's name and title (**do not** put "Sincerely" or "Respectfully Submitted" at the end.)

Remember to ask questions. If you do not understand your responsibilities ask your Senior State Officer or Chairman, State President, and/or Senior State President, for help.

Above all, have FUN! This is your organization and you should be proud that you are helping promote the Objectives of the Children of the American Revolution.

Additional Information for Incoming Senior State Officers and Chairmen

Your term of office is two years concurrent with the Senior State President's term. Your responsibility is to guide your member in accomplishing his or her goals and responsibilities. Please review the responsibilities of your member. Communicate with your member on a regular basis and encourage them to ask you questions about their responsibilities. This is the key to having a successful and productive year. Remember not to do their job for them. If you have questions about your responsibilities, ask your Senior State President.

**THE PLEDGE OF ALLEGIANCE TO
THE FLAG OF THE UNITED STATES OF AMERICA**

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands – one nation under God, indivisible, with liberty and justice for all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a Perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

C.A.R. CREED

I believe in the Children of the American Revolution as an organization for the training of young people in true patriotism and love of country, in order that they shall be better fitted for American citizenship.

As a descendent of the Founders of my Country, I believe that my birthright brings a responsibility to carry on their work, and that as the boys and girls of 1776 took an active part in the War for Independence, so the boys and girls of today have a definite work to do for their Country.

As a member of the Children of the American Revolution, I believe it is my duty to use my influence to create a deeper love of country, a loyal respect for its Constitution, and a reverence for its Flag among the young people with whom I come in contact.
