STATE PROGRAM PACKET, YEARBOOK, AND HANDBOOK**

Message from the State President

Hello North Carolina Society Members and Seniors!

My name is Spencer Daniels and I am proud to be your new North Carolina State President. I hope you are all staying safe and adjusting to virtual meetings!

Here are a few fun facts about me: I am 19 years old and a senior at UNC-Asheville. My major is Psychology with minors in Sociology and Human Rights. I received my Associate Degree while in high school and during my year as State President I hope to announce the graduate program I will be attending in 2021. My hobbies include embroidery and writing and I love to do things outdoors such as hiking, kayaking, ziplining, and camping. I plan to buy an RV to live in for a short period within the next few years!

My State President's Project for 2020-2021 is the **CARE Project**. This North Carolina based non-profit organization supports deaf and hard of hearing children and their families from across the U.S. through counseling tools, advocacy experiences and family retreats. My goal for N.C.S.C.A.R. is to raise \$3,000 to cover the expenses for at least 3 families to attend a North Carolina CARE Project family retreat. These retreats are 2-3 days long and filled with seminars, family bonding time, social activities, and breakout groups for moms, dads, siblings, and children.

For a \$10 donation or more you will receive a pin that shows "C.A.R." spelled out in American Sign Language. My theme is "*Sharing is CAREing*" and I hope you will help me share information about my project! I also hope to spread the theme of "Care" throughout the year and I encourage everyone to find ways to care for your family, the earth, veterans, your community, and other kids.

I am praying for you all to stay safe in school, at work, and in your everyday lives. Thank you for your time and attention. I am looking forward to the rest of my year as your North Carolina Society State President.

Spencer Grace Daniels
State President, N.C.S.C.A.R.

The 2020-2021 National Theme is ***Support Our Brave and Noble Patriots*** and is inspired by a line in our C.A.R. Song, which was written in 1928 and continues to represent C.A.R.'s ideals of patriotism and support for our veterans.

The 2020-2021 National Theme supports the 2020-2021 National Project, Pets for Vets, a 501(c)(3) organization, to raise funds to place companion animals with veterans, many of which are experiencing PTSD. The animals are adopted and trained through donations, and each companion animal is highly trained to best meet the veteran's needs.

Pets for Vets assists in the veteran's fight against PTSD through building a safety net with the animal, creating connections, and overcoming trauma. Veterans apply for an animal through Pets for Vets and go through an interview process to match the veterans with an animal. Animals are then selected from the shelter, specifically for each individual veteran, and are trained before being placed with the veteran. Through this process, Pets for Vets helps to save pets from shelters, as well as provides veterans with the companions and support they need.

Through this year's National Theme and Project, C.A.R. members are encouraged to give back to those who have served our nation and ***Support Our Brave and Noble Patriots***.

To learn more about Pets for Vets, please visit their website at <https://petsforvets.com/>

As C.A.R. members *Support Our Brave and Noble Patriots* this year, they will participate in serving their communities, honoring veterans and patriot ancestors, and showing commitment to the values held by the National organization. The goal of the National President is the completion of 25,000 service hours in honor of C.A.R.'s 125th anniversary year.

Some ideas for service projects are:

- Making masks for kids as a joint project with NSDAR and recording your service hours online
- Helping Pets for Vets by completing projects
- Participating in the first annual Service to America Day on April 5, 2021.

2019-2020 STATE PRESIDENT'S REPORT

This State President had a great year and appreciates the tremendous support the North Carolina Society Children of the American Revolution has given. His project, *A Traveler's Rest*, will provide comfort and rest for soldiers and their families as they pass through North Carolina airports. He achieved comfort by collecting over

170 quilts and fleece-tie blankets that were donated to all four North Carolina USO airport lounges. He achieved rest by raising money to fund the purchase of new lounge chairs for the Fayetteville airport's new USO lounge. His initial goal was to fund 3 chairs, but, thanks to the support of N.C.S.C.A.R., he was able to raise \$4,564, enough for almost 6 chairs. During his travels to state and local society meetings throughout the year, he was continually overwhelmed by the amazing support of the North Carolina members. Thank you for supporting the North Carolina Society Children of the American Revolution and the State President's Project!

William Johnston, State President, 2019-2020

2019-2020 SENIOR STATE PRESIDENT'S REPORT

Greetings on behalf of North Carolina's 324 members and 23 local Societies!

We thank you for your enthusiastic support of state president William Johnston's project to support the USO at the Fayetteville Regional Airport and USOs across the state, and of national president Mackie Storage's program: Foundations of Freedom, that supported George Washington's boyhood home of Ferry Farm in Virginia!

William's project had two main foci: the first was to raise funds to provide three commercial grade chairs to the USO lounge at Fayetteville Airport, and William met that goal; and the second was to personally involve all of our C.A.R. members across the state in his project through the collection and hand-making of quilts and tied-fleece blankets to

provide comfort to traveling military families that pass through the four USO airport lounges across North Carolina, and blankets poured in from Societies across the state exceeding all expectations.

The North Carolina Society held our 2019 summer board meeting in Fayetteville and our winter board meeting in Brevard, and actively participated in the 124th National Convention in DC, and the Southeastern region meeting in Atlanta chaired this year by North Carolina's own National Vice-President for the Southeast Region Daisy Dolicker, and many other historic and patriotic events throughout the year. Unfortunately, due to the pandemic N.C.S.C.A.R. was unable to hold our annual conference this year to celebrate William's success and the successes of our officers, chairmen, members, and Societies. Instead we congratulated our members and announced awards during a live event carried on our Facebook page. The uncontested slate of new officers was appointed and will be sworn in during the next state board meeting. New state president Spencer Daniels was sworn in during the virtual C.A.R. National Convention in July.

N.C.S.C.A.R. continues to enjoy a strongly symbiotic relationship with the DAR, SAR, and S.R. state Chapters, as overwhelmingly our members are their sons, daughters, grandsons and granddaughters. We rely on the DAR, SAR, and S.R. to encourage and facilitate their progeny's active membership in C.A.R. We are honored to help instill in them at an early age the habits and traditions of good citizenship, patriotism, and leadership. As our members reach the end of their time in C.A.R. we endeavor to facilitate their transition into the DAR, SAR, and S.R., completing the cycle. We celebrate this process annually.

As I conclude my term as N.C.S.C.A.R. Senior State President I am thrilled to pass on the reins of the State Society to Kathy Benedict for the 2020-2022 term. Kathy has provided years of strong leadership to C.A.R. and is exceptionally active in DAR as well. I leave N.C.S.C.A.R. in the very best of care.

I want to thank you all personally for the outstanding support you have shown me and the C.A.R. these past two years. It was a great time!

HANDBOOK
OF
THE NORTH CAROLINA SOCIETY OF THE
CHILDREN OF THE AMERICAN REVOLUTION

Section 1. Dues and Fees

- 1.1 The annual dues of the State Society, as outlined in Article XIII, Section 1 of the State Society Bylaws, shall be ten dollars (\$10).
- 1.2 The annual Senior Society President’s fee, as outlined in Article XIII, Section 2 of the State Society Bylaws, shall be ten dollars (\$10). In addition, there is a National Senior Society President’s fee of ten dollars (\$10).
- 1.3 The State Patriot fee, as outlined in Article XIII, Section 3 of the State Society Bylaws, shall be ten dollars (\$10) annually. This fee shall be collected by the Senior State President and deposited in the General Fund. The Senior State Treasurer shall periodically or upon request send a check to the Senior State President for the amount of State Patriot fees collected to offset expenses. A State Patriot receives a subscription to the *Tarheel Tattler* for the year they pay the State Patriot’s fee.
- 1.4 By motion of the Board, the State Society may pay registration fee for members attending National Convention after verification of attendance by the Sr. State President.
- 1.5 Awards—By motion of the Board, there is a \$10 maximum award for all contests. Each Senior officer or chairman pays \$10 toward the awards amount to the Sr. Awards Chairman regardless of whether they have a contest winner. If you are a Sr. Society President and have paid your fee, you don’t have to pay again. The member officer or chairman pays nothing. If the total collected does not add up to the total awards amount, the balance comes from the General Fund. If the total adds up to more than that needed for awards, the balance goes into the General Fund.
- 1.6 By motion of the Board, the Sr. State President may receive up to \$150 per year from the General Fund to assist with expenses of the position.

- 1.7 The State Society will pay for the Honorary State President's neck ribbon ONLY as a gift for the outgoing State President if they are elected an Honorary at the end of their term. The member must pay for the pin and insignia to go on the ribbon.
- 1.8 By motion of the Board, the annual recipient of the DAR State Regent's/SAR State President's Outstanding C.A.R. Member award will receive \$100 to be paid by donations from NCS DAR (\$50) and NCSSAR (\$50.) (March 20, 2016)

Section 2. Funds

The Senior State Treasurer maintains the following funds in the name of the State Society:

- 2.1 General Fund (checking account)—annual dues, fees and other income constitute the General Fund to be used for the legitimate expenses of the State Society. The Senior State Treasurer prepares an annual budget for the State Society to be presented at Summer Board for approval. All expenditures not budgeted or designated must be approved by the Senior State Board or the Senior State President.
- 2.2 General Fund (MM)—A portion of General Fund monies were put into a Money Market account to earn more interest.
- 2.3 Fleming Scholarship Fund (MM)—specifically for the payment of the Fleming Scholarship annually. The Fleming Scholarship award is \$2,000 to be awarded annually until the Fund is depleted or the principle is increased and interest earned on the Fund provides an award of \$2,000 or more. Applicants must apply for the Scholarship. (Revised September 2020)
- 2.4 State President's Fund (MM)— designated to assist the State President in expenses during the year. A \$500 award is paid to the newly installed State President after returning from National Convention in April to be paid annually from the principle of the Fund until it is depleted. (Revised August 2013)

Section 3. State President's Project

- 3.1 The newly elected State President shall present his/her proposed project to the Senior State Board.
- 3.2 State Society funds may be used for the advance purchase of fundraising items (including tax, shipping, and handling costs) for the State President's Project with approval of the Senior State Board or a committee appointed by the Senior State President. After receiving documentation showing the total cost of items, and approval by the Senior State Board, the Senior State President will authorize the Senior State Treasurer to make payment toward the purchase of the items. That amount shall be deducted from the donations received for the project and the net proceeds will then go toward the project.

For accounting purposes, donations to the State President's Project, while held in State Society accounts, are not considered State Society funds. No State Society funds may be donated to or used to support expenses of the State President's Project except to offset advance purchase of fundraising items as noted above. Distribution of special contributions (e.g. from the DAR, SAR or other source) may be determined by motion of the State Board and approved by the Senior State Board and may include a portion going to the State President's Project before becoming State Society funds. (Revised November 2015)

Section 4. State Conference

- 4.1 It has been customary for the State Society to pay for two night's lodging and luncheon and banquet for the State and Sr. State President during State Conference.

Section 5. Debutante Presentation

- 5.1 A female member in good standing is eligible to be presented as a debutante at 18 years of age or a senior in high school through the age of 21 years.

- 5.2 The Debutante Presentation will be included as part of the Awards Banquet at State Conference as long as there are at least four eligible young ladies to be presented.
- 5.3 The Debutante Presentation fee is \$275 with an early fee of \$250 if participants register by November 1st. This fee shall be set so that the Debutante Presentation is at least self-supporting (no additional funds are required from the General Fund or State Conference income). The Senior Debutante Chairman is responsible for tracking expenses versus income of each presentation and recommending changes to the Senior State Board.

Section 6. Robert B. Fleming, Jr. Scholarship

- 6.1 The Fleming Scholarship is administered by the Senior State Vice President with assistance from the State Vice President. That administration includes:
- Ensuring Fleming Scholarship information is included in the State Program Packet and Handbook annually.
 - Provide application forms and completion information to members on request.
 - Receive and validate applications.
 - Prepare information for judging (see judging section below for details).
 - Announce the Fleming Scholarship winner at State Conference (unless the Senior State Vice President's child has applied for the scholarship; in which case, a neutral party will be designated to announce the winner.)
 - Arrange for checks to be issued to the school.
- 6.2 Judging
- 6.2.1 The judges shall be selected by the Senior State Vice President of the N.C.S.C.A.R.

- 6.2.2 The application, supplementary list, essay, and two letters of recommendation will be submitted to the Senior State Vice President who will send them to the judges with the applicant's name removed.
- 6.2.3 The judges' final decision shall be submitted to the Senior State Vice President who will announce the winner at the N.C.S.C.A.R. State Conference.
- 6.3 Scholarship winners will be awarded the amount designated in Section 2.3. Checks shall be made payable to the designated school on the winner's application and will be mailed directly to the school. The amount of the award may be changed periodically by vote of the members and approved by seniors to better reflect available funds and actual college expenses.

Section 7. Revisions

Recommendations for revisions or additions to this Handbook may be made and voted on at any State Board meeting during the year and forwarded to the Senior State Board for approval.

HOW TO MAKE, SECOND, DISCUSS, AND VOTE ON A MOTION

1. Making a Motion: Only Members can make a motion. If the President wants to make a motion, she or he must have the Vice President take the Chair and then takes a seat with the other members. After a second, discussion, any amendments [always voted on before the main motion is voted on] and a vote, the President then resumes the Chair. “I move that _____ (It is not acceptable to just say, “I so move.”)
2. The chair repeats the motion, “It has been moved that [repeat motion], is there a second? **Only a Member** can second (or agree to discuss) a motion. If no one seconds the motion, the motion dies for lack of a second.
3. If the motion is seconded, the President repeats, “It has been moved and seconded that [repeat motion]. Is there any discussion?” The President recognizes members who rise and speak for or against the motion. No member can speak more than twice to a motion before all members who would like to speak have had a chance to speak.
4. After a reasonable amount of discussion, the President can ask, “Are you ready for the question?” Or a member may say, “I call for the question” to call for a vote. A majority (more than half) of the members must agree that they are ready to take a vote. Before taking the vote, the President repeats the motion (including any approved amendments.)
5. The vote can be a voice vote (“All those in favor, say ‘Aye.’” “All those opposed say ‘Nay’”), a standing vote, or a ballot vote. If any member asks for it, a ballot vote must be taken. If it is hard to tell by a voice vote, then a standing vote or ballot vote should be taken.
6. Decision: The President then announces the results of the vote, indicating officially if the motion has passed or failed.

7. Reconsider: A motion can be reconsidered only as long as no irreversible action has already been taken after the motion passed and 2/3 of all voting members agree to re-debate the motion. Only someone who voted on the winning side can ask to re-discuss or debate and then vote on the same motion.

8. An Amendment: Any member can ask to amend, add on to or change some part of a motion. The President must first ask the person who made the motion if they agree to having their motion amended. If they do, then the Amendment must be seconded, discussed, and passed before it can then be added to the motion on the “table.” If the Amendment passes, then the “main” motion is voted on as amended.

9. Tabling a Motion: If a member feels there is not enough information or time to properly decide on a motion, they may ask the Chair to table the motion until a specified later time. The Chair asks for a second, discussion, and a vote on tabling the motion.

GUIDE FOR INCOMING STATE OFFICERS, CHAIRMEN AND SENIORS

As a newly appointed officer or chairman you should read and understand the *North Carolina Society C.A.R. State Program Packet and Handbook*. The National Handbook and Bylaws will also be helpful to you during the course of your term. The National and State web sites have useful information on both the public and member only sections.

Your State President needs your dependability throughout the year so all of his or her plans can be accomplished. Plan to attend the Summer Board Meeting, Winter Board Meeting, and Annual State Conference. If you are unable to attend tell your State President and your Senior that you will not be able to attend and forward any contest and report information to your State President and Senior.

Communication with your State President and Senior State Officer or Chairman is the key to a successful term.

One of your responsibilities is to create a state contest based on the National Officer's or Chairman's contest, but also including the State President's Theme/Project as much as possible. Consult your Senior for guidance. He or she will give you suggestions. The State Contest should closely follow the National Program. Your Senior will provide any monetary award but you must decide how to divide the award among the winners.

When giving your state reports you will need five copies to be given to the State President, the Senior State President, the State Recording Secretary, the Senior State Recording Secretary and your Senior State Officer or Chairman. Don't forget to keep one for yourself. These copies should be typed with the event (Summer Board, etc.) and the date at the top and your name and title and your senior's name and title at the bottom (do not type "Sincerely" at the end.) You and your senior should sign each copy. You will need to prepare your report even if you are unable to attend a meeting and forward a copy to the State President, Senior State President, State Recording Secretary,

Senior State Recording Secretary and your Senior State Officer or Chairman.

Don't forget that your service to the C.A.R. can count toward community service in school and youth groups. Keep track of your hours and the impact of your programs to get full credit.

Timeline:

- April – Your term of office begins immediately following the installation of the State President at the National Convention.
- June/July – In early Summer when the National Program Packet is released the State President will send you information to create your contest. Also, plan to attend the Southeastern (SE) Region Meeting that is held on a rotating basis in one of the states of the region [Alabama, Florida, Georgia, North Carolina, South Carolina.]
- August – Attend Summer Board to hear about the National President's Project, the State President's Project, and activities planned for the year. The State President may ask some officers and/or chairmen to talk about their contests or present a report.
- November – Attend Winter Board and be prepared to present a brief report (no more than 2 minutes) on your activities relating to C.A.R since your installation is April as well as encouraging local societies to enter your contest.
- February – Prepare to submit contest entries by the last day of this month or first day of March. The due date is posted on each contest page. If an officer or chairman, you will be receiving entries to judge with your Senior. The Awards Chairman will email to you your deadline for judging.
- March – National Contest entries are due the first part of the month. If a State Officer or State Chairman, judge your contest entries with your senior and submit the winners to the Conference Awards Chairmen by the deadline. Attend the Annual State Conference and be prepared to present a brief report (no more than 2 minutes) about your activities related to C.A.R. for the entire year. Voting will also take place at State Conference.

- April – Your term of office ends in April with the installation of the new State President (at the National Convention) which begins his/her new term.

Reports: Your reports should be limited to events and activities that are related to C.A.R. only and be written in 3rd person. Address only the State President when reading your report and end by reading your name and title and your Senior's name and title (**do not** put "Sincerely" or "Respectfully Submitted" at the end.)

Remember to ask questions. If you do not understand your responsibilities ask your Senior State Officer or Chairman, State President, and/or Senior State President, for help.

Above all, have FUN! This is your organization and you should be proud that you are helping promote the Objectives of the Children of the American Revolution.

Additional Information for Incoming Senior State Officers and Chairmen

Your term of office is two years concurrent with the Senior State President's term. Your responsibility is to guide your member in accomplishing his or her goals and responsibilities. Please review the responsibilities of your member. Communicate with your member on a regular basis and encourage them to ask you questions about their responsibilities. This is the key to having a successful and productive year. Remember not to do their job for them. If you have questions about your responsibilities, ask your Senior State President.

Calendar Information

- Society activities are counted from March 1-February 28.
- State Officers and Chairmen officially serve from April-April.
- Final Reports cover from State Conference to State Conference.

**THE PLEDGE OF ALLEGIANCE TO
THE FLAG OF THE UNITED STATES OF AMERICA**

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands – one nation under God, indivisible, with liberty and justice for all.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a Perfect Union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

William Tyler Page

C.A.R. CREED

I believe in the Children of the American Revolution as an organization for the training of young people in true patriotism and love of country, in order that they shall be better fitted for American citizenship.

As a descendent of the Founders of my Country, I believe that my birthright brings a responsibility to carry on their work, and that as the boys and girls of 1776 took an active part in the War for Independence, so the boys and girls of today have a definite work to do for their Country.

As a member of the Children of the American Revolution, I believe it is my duty to use my influence to create a deeper love of country, a loyal respect for its Constitution, and a reverence for its Flag among the young people with whom I come in contact.
