Greetings North Carolina C.A.R.!

The 2026-2027 N.C.S.C.A.R. year is off to a great start! Since our last *Tarheel Tattler* Issue, I have been busy going **Over the Moon** in North Carolina and *beyond*. The summer started with Pre-Board and the South Central Regional Meeting in Oklahoma followed by the Rocky Mountain Regional Meeting in New Mexico. Next, was the 250th Birthday of America on July 4th where I was able to participate in the Waxhaw Independence Day Parade. I was pleased to be able to attend the Joel Lane Society Little Library Installation before heading off to West Virginia for the Mid-Southern Regional Meeting. My last stop on the Regional Tour was our very own Southeastern Regional Meeting in South Carolina. It was a *blast*! There was no rest for the weary as the next stopover was the SAR Annual Congress in Greensboro. Then I traveled for 2 weeks around North Carolina to attend all 8 DAR District Meetings.

Next, I was happy to see many of you at Morehead Planetarium & Science Center for Summer Board and Field Day. If you were unable to attend, we missed you, and hope to see you at **Winter Board on Saturday, November 7th** at the **North Carolina Aviation Museum & Hall of Fame**.

There was more fun to be had in South Carolina, where I was in attendance for the dedication of new signage at Old House Plantation, the birthplace and final resting place of Thomas Heyward, Jr, a South Carolina signer of the Declaration of Independence. The signage was made possible by the South Carolina C.A.R. 2025-2026 State Project: The Path to Independence.

North Carolina's Route to Victory in the American Revolution: The Race to the Dan was an educational and rewarding event and the Commemoration of the Signing of the New Bern Resolves was extra special this year with the Patriot Square Dedication and the unveiling of the new SAR and DAR Bears.

Have you signed up for the inaugural National Project Leadership Legacy Campaign to support National President, Will Elston's "*Liberty's Legacy*" national project? The link was emailed and goes live today! I look forward to supporting Will in his endeavor to remind the youth of America how important it is that we carry on the legacy of our forebears while also celebrating America 250!

~ Leah Salazar

Greetings North Carolina C.A.R.!

Welcome to this year's second issue of the *Tarheel Tattler*. Inside these pages you will find lots of news, pictures and hopefully helpful information about current and future events.

Your State President, Leah Salazar, and I have been busy going ***Over the Moon***, across multiple states and our very own state, as well. We are also hard at work planning for more events, especially Winter Board and State Conference.

I am excited to announce that our 2026-2027 Yearbook is updated and has been posted to the State website along with forms needed for this year. If you ordered a hardcopy of the Yearbook (by sending me an email at snorthcarolinapresident@ncscar.org), they will be distributed at the Winter Board Meeting on November 7th. If you happen to notice something you need that isn't on the website, please let our Webmaster, David Salazar, know at ncscarwebmaster@gmail.com or david.t.salazar@icloud.com.

Over the Moon T-shirts are currently on sale via Custom Ink (https://www.customink.com/fundraising/ncscar-over-the-moon?utm_campaign=desktop-post-launch-v3&utm_content=ncscar-over-the-moon&utm_medium=social&utm_source=copy-link) through October 15, 2026. (The link is also available on our Facebook page.) It's just one more way to help State President, Leah S., raise funds for the North Carolina Aviation & Hall of Fame (NCAM) while working to honor the memory of Félicette, the first and ONLY cat to go into space.

The 2026 Winter Board Meeting is right around the corner. Be sure to register by the deadline (November 1st) to ensure that you don't miss out on all the fun! (See page 30 for the Registration Form or you can visit our Facebook page or website.)

National President, Will Elston, has launched the inaugural National Project Leadership Legacy Campaign to support the *Liberty's Legacy* National Project! There are three parts to the Leadership Legacy Campaign: 1) Members are encouraged to log at least 250 minutes of service on the N.S.C.A.R. Website. 2) Members are encouraged to participate in an age-appropriate leadership training provided by the Leadership Development committee and National Board through the Lothrop Leaders initiative. 3) Members are encouraged to participate in our month-long Liberty's Legacy fundraising campaign. This campaign will run from October 1-31, 2026. For more details visit the National website www.ncscar.org.

Last, but certainly not least, details for our 86th Annual State Conference to be held in Greensboro on March 12-13, 2027, are on their way to your inboxes and our Facebook page *very soon* so stay tuned!

National President's Project

Each year, the National President creates a National Project and Theme in support of educational programs. Led by the National President and Senior National President, the National Officers, State Presidents, and National Chairmen promote the project and theme throughout the country.

National President William Elston

Senior National President Jamie Durham Burchfield

National Theme: Liberty's Legacy

Two hundred and fifty years ago, young boys and girls played a quiet but powerful role in the fight for American independence. Too young to hold official rank and often overlooked by history, they served as messengers, drummers, nurses, and even spies. Their courage helped sustain the patriot cause during the earliest days of the Revolution, and they demonstrated a firm commitment to the ideals of liberty. This year, our goal is to lead members in a nationwide effort to recognize the role children played during the American Revolution. As our country observes its 250th anniversary, it is important for our members to learn about this underrepresented part of our history and share it with their local communities. Members will be encouraged to explore the theme "Liberty's Legacy" through meaningful and engaging programs that bring history to life.

The National Project will be in partnership with the National Park Service to raise \$50,000 for the creation of interactive panels that recognize the contributions of youth during the American Revolution. Two interactive panels will be placed in Yorktown with the potential of expanding to other parks. In addition to this, we will look to raise \$10,000 for the N.S.C.A.R. operating fund, so that the legacy of our organization continues. All funds raised after the \$60,000 mark will be split, 75% going to the National Park Service and 25% going to our operating fund.

A key component of the project is the Leadership Legacy Campaign, which challenges members to complete 250 minutes of service, participate in leadership training, and take part in individual fundraising efforts throughout the year. Members will be recognized for their achievements, with additional incentives and society-wide competitions encouraging participation.

State President's Project

Leah S., State President of the North Carolina State Society Children of the American Revolution (N.C.S.C.A.R.) would like you to come go *Over the Moon* with her as she works to raise money for her 2026-2027 State Project.

Her primary goal is to raise **\$5000** to assist with the aerospace expansion at the North Carolina Aviation Museum & Hall of Fame (NCAM) in Asheboro, NC, in honor of NASA's Apollo Program and the Moon Landing. NCAM is a volunteer supported non-profit museum, dedicated to preserving aviation and military history for generations to come. Located near the Asheboro Regional Airport, its hangars offer 20,000 square feet of military and civilian aircraft, wartime memorabilia, artwork, historically accurate aircraft models and more. In addition, the museum features exhibits on the state's aviation pioneers and innovators.

The Hall of Fame is a key aspect of the museum, and honors individuals who have made significant contributions to aviation in North Carolina. The inductees include pilots, engineers, designers, and other aviation professionals who have helped shape the industry and advance the science of flight.

In 2006, museum officials expanded NCAM's mission to include not only military aircraft, but historical, vintage and civilian planes and the aerospace world as well.

Her secondary goal is to raise **\$1776** (a nod to America 250!) to honor Félicette, the first (*and only*) cat to go into space. The money will be donated to a local animal shelter in Félicette's honor to assist with adoption services for stray, abandoned or surrendered animals.

You probably just asked yourself, "What does NASA's Apollo Program and the Moon Landing have to do with the American Revolution?" Well, Leah is glad you asked. Did you know that George Washington witnessed air travel? Yes. You heard that correctly. It wasn't a bird. It wasn't a plane. It wasn't Superman. Instead, it was a hot-air balloon that lifted off from the Walnut Street Prison yard in Philadelphia! It was January 1793, and none other than President Washington himself was there to witness it.

To further understand the connection, you must realize that Leah was born on the **41st Anniversary of the Moon Landing by the Apollo 11 astronauts!!**

Details about the pin design:

The American Flag and Lunar Module on the moon represent the Apollo 11 Moon Landing on July 20, 1969.

The outer ring and stripes represent the North Carolina Aviation Museum & Hall of Fame (NCAM).

The two paw prints are to help you remember not to forget Félicette

The propellers are red, white and blue to honor America 250!

"Over the Moon"

This year the State President's Project is to support the North Carolina Aviation Museum and Hall of Fame (NCAM) in expanding their aerospace wing. As a volunteer supported non-profit museum dedicated to preserving aviation and military history for generations to come, NCAM offers 20,000 sq. ft. of military and civilian aircraft, wartime memorabilia, artwork, historically accurate aircraft models and more. The secondary goal of this year's State Project is to honor Félicette, the first (and only) cat to go into space. A donation will be made *in her honor* to a local animal shelter which provides care, shelter and adoption services for stray, abandoned or surrendered animals.

All funds raised from the sale of pins and State Project designated donations will be used to support the State President's Project, "*Over the Moon*"

Pins are a \$10 donation each. To receive pins by mail please include \$5 for shipping and provide your address.

On August 2, 2026, South Carolina celebrated the dedication of a marker at the Old House Plantation – the culmination of the 2025-2026 State Project for John V.

In Bethania and Lewisville, State President, Leah S., listened to a panel discussion on the Race to the Dan during the American Revolution, paid a visit to the Cornwallis House and kept the 23rd Regiment in line.

On a trip to D.C., State President, Leah S., stopped by James Madison's Montpelier in Virginia.

At the National Military Monument in D.C., she paid tribute to George Washington and all six branches of the military.

Candle Lighting Ceremony

General Davie Chapter, NSDAR, held their 9th Annual
Flag Retirement Ceremony and invited State President,
Leah S., to participate and bring greetings.

While volunteering at the Annual Fly-in at the North Carolina Aviation Museum & Hall of Fame (NCAM), State President, Leah S., was able to share information about her *Over the Moon* State Project and met her 10th Cousin from the SAR Color Guard.

Society Scoop

Bugler Gillies Society members were busy celebrating Constitution Week and serving first responders!

Members Michael K., Eleanor K., Jesse P., and Oliver P., attended a Constitution Week educational program at the Kathleen Clay Edwards Library, hosted by the Guilford Battle Chapter, NSDAR. They had a great time manning the Three Branches of Government ring toss game!

Charlotte P., attended the Bells Across America event at Buffalo Presbyterian Church and handed out programs.

To honor the 25th Anniversary of the 9/11 terrorist attacks, Bugler Gillies members assembled 30 goodie bags for the Kernersville Police Department.

Society Scoop

Governor Alexander Martin Society members and friends celebrated July 4th in OLD SALEM, where it all began! The Moravians of Old Salem were the first to celebrate America's independence right here in Winston-Salem! There were special events throughout the day. Members listened to a concert by the Moravian band, watched a demonstration of a colonial fire brigade and enjoyed the reading of the Declaration of Independence. It was a very special and historic day in Old Salem!

It's only their first meeting of the year and already they have 3 new member applications signed!

Society Scoop

Isham Blake Society members, Matthew M. and Thomas M., attended the 251st Anniversary of the Liberty Point Resolves in June. A great big ***Thank You*** goes out to State Organizing Secretary, Matthew M., who brought greetings on behalf of State President, Leah S., who was unable to attend due to a family wedding. They were also on hand as part of the America 250 simultaneous reading of the Declaration of Independence in July.

Society Scoop

Joel Lane Society had an eventful summer! Members commemorated America's 250th birthday by installing a Little Free Library in the Five Points neighborhood in Raleigh. The society keeps their library stocked with American History books for kids.

At the August society meeting, members learned about the history & evolution of the American flag. They got to see & hear the story behind a flag that flew on a naval ship during WWII.

At both events, the society was honored to host State President, Leah S.!
